N° 4393 A.D. 1899

Date of Application, 28th Feb., 1899
Complete Specification Left, 16th Nov., 1899—Accepted, 16th Dec., 1899

PROVISIONAL SPECIFICATION.

A New or Improved Embrocation.

I, Robert Fowler Lambert, of Gathorne Terrace, Roundhay Road, Leeds, in the County of York, Butcher, do hereby declare the nature of this invention to be as follows:—

My invention relates to an embrocation for application to human beings and animals, and its object is to cure swellings, sores, rheumatism, and other ailments.

It is composed of the following ingredients mixed together in or about the proportions named:—

Vinegar,	14	parts.
Turpentine,	14	,,
White copperas,	1	,,
Blue stone vitriol,	1	,,
Saltpetre,	½	,,
Beaten egg,	2	,,

The above mixture is used for rubbing on the part affected, when a speedy recovery will be secured.

Dated this 28th day of February 1899.

BREWER & SON,
London and Leeds, Agents for the Applicant.

COMPLETE SPECIFICATION.

A New or Improved Embrocation.

I, Robert Fowler Lambert, of 7, Gathorne Terrace, Roundhay Road, Leeds, in the County of York, Butcher, do hereby declare the nature of this invention and in what manner the same is to be performed, to be particularly described and ascertained in and by the following statement:—

My invention relates to an embrocation for application to human beings and animals, and its object is to cure swellings, sores, rheumatism, and other ailments.

The embrocation is composed of the following ingredients, mixed together in or about the proportions named:—

Vinegar,	14	parts.
Turpentine,	14	,,
White copperas,	1	,,
Blue stone vitriol,	1	,,
Saltpetre,	½	,,
Beaten egg,	2	,,

The above mixture is applied or rubbed on the part affected, when a speedy recovery is secured.

[*Price 8d.*]

Lambert's New or Improved Embrocation.

Having now particularly described and ascertained the nature of my said invention and in what manner the same is to be performed, I declare that what I claim is:—

1. An embrocation composed of vinegar, turpentine, white copperas, saltpetre and beaten egg, in substantially the proportions above described. 5

2. An embrocation composed of vinegar, turpentine, white copperas, blue stone vitriol, saltpetre and beaten egg, substantially as and for the purposes set forth.

Dated this 16th day of November A.D. 1899.
